

# KONSTANTIN GONCHARENKO

## FRONT-END DEVELOPER

### SUMMARY

As a Junior Front-End Developer, I am passionate about creating visually appealing and user-friendly web interfaces. With a solid understanding of HTML, CSS, and JavaScript, I am dedicated to translating design concepts into efficient and responsive code. I possess knowledge of front-end frameworks such as React, and I am eager to expand my skills further. Through my previous experiences and projects, I have developed strong problem-solving abilities and a keen eye for detail. I am a fast learner and thrive in collaborative team environments. As a Junior Front-End Developer, I am excited to contribute my skills and grow professionally while delivering exceptional user experiences.
